Annette has extensive experience evaluating and providing therapy for children in a variety of settings, including private and public school environments. She has worked with children with an array of speech, language and learning abilities from early intervention to high school age students. As a mother of three who has experienced her own children develop as individuals with a variety of abilities, Annette benefits from insights into the many challenges that every child faces in day to day activities as well as in today's classroom. She enjoys making therapy fun while catering to each child's needs so they can be confident and successful communicators in and out of the classroom.

Annette holds a Bachelor of Science Degree in Speech-Language Pathology/Audiology and a Master of Science Degree in Speech-Language Pathology from Towson University. She is a member of the American Speech-Language Hearing Association (ASHA) and the Maryland Speech Language Hearing Association (MSLHA). She is licensed in the State of Maryland and holds the Certificate of Clinical Competence through ASHA.
